

About Hughes Decorr Designs & Display

Hughes Decorr is an award-winning leader in Point of Purchase (POP) displays and packaging solutions, known for creating impactful merchandising solutions that drive shopper engagement.

As part of Planet Group, a vertically integrated packaging and supply chain organization, Hughes Decorr draws on in-house design, engineering, manufacturing, co-packing, warehousing, logistics, and retail merchandising capabilities to deliver customized packaging, displays, and promotional solutions across North America.

The company emphasizes innovation and sustainability through advanced packaging design, life cycle assessments (LCA), recyclable materials, waste-reduction initiatives, and environmentally responsible manufacturing practices, helping clients meet both business and sustainability objectives.
